All the documents need to be submitted to the GSHSPA's office during the application period. Our office opens from 9:00 to 11:30 and from 13:30 to 15:30 on weekdays.

The documents from abroad need to be sent by EMS.

The documents are not returned in any circumstances.

Before applying, please check the application period beforehand as it may change under special circumstances.

7. Fee for Research Student

Examination fee: 9,800 yen

*The applicant residing out of Japan asks someone such as an acquaintance in Japan to pay examination fee and to send its certificate of payment to our office.

Admission fee: 84,600 yen

Tuition: 173,400 yen (for 6 months)

*Since the details about admission fee and tuition fee will be informed, please be prepared for those payments. Research students have no exemption from the admission fee and tuition fee. If those fees revised, the new fees will apply from the date of revision. Those fees paid already are not returned.

8. Announcement of Acceptance

The consequence is informed to all the applicants by e-mail and the document of admission is sent to the successful candidates.

The successful candidates who completed the admission procedure during the prescribed period are admitted as research students.

If the student decline admission, please inform us immediately.

Those residing out of Japan need to obtain a Certificate of Eligibility for Japanese Residency (abbreviated as COE) from the Immigration Bureau of Japan.
Chiba University helps the student to apply for COE. We ask the student to send us related materials for COE later.

9. Others

The applicant who is expected to obtain a master's degree at the time of submission, must submit the master's degree certificate after obtaining a degree.

The status of research student may be cancelled if the student is disqualified as a Chiba University student.

Certificate of Research Record is to be issued upon request by submitting a research report after completion of research period.

If the research student can no longer continue the research due to going on to doctoral course, employment, etc., "Request for Withdrawal" must be submitted after consulting the advisor.

This information can be changed under some situations regarding COVID-19.

Based on “the Foreign Exchange and Foreign Trade Act”, Chiba University established “the Security Export Control Regulations of National University Corporation Chiba University” and is conducting rigid examinations before accepting students.

Desired research activities may be restricted when they are applicable to the regulations.
